Welcome to Apartment Housing

We sincerely hope that you will find your residence comfortable and that your stay will be beneficial to you and to the community.

The goal of the IU Bloomington apartment housing staff is to provide quality services, facilities, information, advice, and support. We work hard to create and promote an environment that is conducive to educational and social development for all our residents. We respect the rights of each individual resident in balance with the rights and interests of the community as a whole.

Our staff is here to assist you. The Area Coordinator’s Office, located in Campus View 105, is a source of comprehensive information about both campus and community programs and services. The area coordinator is available for counseling and crisis intervention and will try to assist with any problems that may arise as you adjust to your new home.

Most apartment buildings have coordinator assistants (CAs). As the outreach staff of the Area Coordinator’s Office, they direct their efforts toward promoting a sense of community. Their names and the buildings they serve can be found in the monthly Update newsletter.

Housing managers and office staff are responsible for the daily operations of the apartment buildings, Housing Manager’s Office, and condition of the facilities.

They are available at the offices during standard business hours, as posted. Housing assistants are students who live in apartment housing and are on duty for emergencies when the Housing Managers’ Offices are closed. Communication with residents is very important to the apartment housing staff, and we welcome your suggestions and feedback. We also encourage you to participate in the Apartment and Family Student Council, your representative body.

The apartment housing community is very diverse. Our neighborhood is made up of adults and children, undergraduate and graduate students, domestic and international students, men and women, faculty, staff, and guests. We celebrate this diverse nature of our on-campus neighborhood and encourage the sharing and understanding of varying lifestyles and cultures.

This booklet, along with your housing contract, will clarify the responsibilities you have accepted by becoming a member of the community.

We hope your stay in apartment housing is a positive one!

Sincerely,
Your Apartment Housing Administration and Staff
MISSION STATEMENT
To create and sustain a comfortable and diverse living and learning environment for those we serve by providing, through collaborative partnerships, quality programs, services, and facilities in a caring, responsible, and cost-effective manner.

STATEMENT ON DIVERSITY
The Division of Residential Programs and Services is committed to celebrating the rich diversity of people who live and work in our residence hall and apartment housing communities. We believe that our living environments must foster freedom of thought and opinion in the spirit of mutual respect. All of our programs, activities, and interactions are enriched by accepting each other as we are and by celebrating our uniqueness as well as our commonality.

The diversity of our communities takes many forms. It includes differences related to race, ethnicity, national origin, gender, gender identity, sexual orientation, religion, age, ability, socioeconomic background, and veteran status. We believe that any attempt to oppress any individual or group is a threat to everyone in the community. We are guided by the principle that celebrating diversity enriches and empowers the lives of all people.

Therefore, everyone who chooses to live in, work in, or visit our residential communities must understand that we will not tolerate any form of bigotry, harassment, intimidation, threat, or abuse, whether verbal or written, physical or psychological, direct or implied. Alcohol or substance abuse, ignorance, or claiming, "It was just a joke," will not be accepted as an excuse. We will respond to such behavior in an appropriate manner, recognizing that education is our most powerful tool.

Our residence communities are rich, alive, and dynamic environments that are designed to enable all individuals to grow to their full potential. Only by understanding and celebrating our diversities can we create an environment where innovation, individuality, and creativity are maintained. We pledge ourselves to this end.

Contract Information

APARTMENT HOUSING ELIGIBILITY
To be eligible to reside in IU apartments, you must be at least 19 years of age and have lived in an IU residence hall for two semesters and be a registered IU student, or faculty or staff member; a transfer student; or be deemed eligible by the manager of apartment housing assignments. Upon loss of eligibility, you agree to vacate your unit within three calendar days. The cancellation and release provisions of your housing contract will determine your remaining contractual obligations.

COMMON CONTRACTING PROCEDURES
Rent: Rental rates are based on the premise that all residents will pay in full and on time. The university considers late payment a breach of the contract and will respond accordingly.
Failure to pay your rent in full and on time could result in eviction from apartment housing.

**Changing Apartments:** Residents wishing to move to a different apartment should make this request at the Apartment Housing Assignments Office, Campus View 119, (812) 855-6600. Office Hours are 8 a.m. - 5 p.m., Monday through Friday. The assignments office maintains a waiting list of those persons who wish to move. The request for a different apartment may be as general or specific as you wish. You may not move to another university apartment without approval from the Apartment Housing Assignments Office.

**Renewing Contracts:** A contract renewal may be granted to registered students or full-time faculty and staff members who are within the eligibility definition, are current with payments, and have not violated apartment housing or university regulations. All contract renewals are at the discretion of the associate director of apartment housing and the manager of apartment housing assignments.

**Canceling Contracts:** The university may cancel your contract if you and/or your dependents, cohabitants, or guests do not follow the rules and regulations of Indiana University and those of RPS; if you fail to make timely payments; or if you are dismissed from the university.

RPS reserves the right to cancel a resident’s housing contract and require that resident to leave university housing when that resident has exhibited behavior that significantly disrupts the life of the residential community or poses a serious risk to any resident (including self), student, staff, faculty member, or visitor.

You may cancel your housing contract at any time prior to moving in by submitting a request online at www.rps.indiana.edu. Refer to your housing contract and contact the Apartment Housing Assignments Office at Campus View 119 or at apthouse@indiana.edu. You may cancel your contract, after moving in, by completing a cancellation form at the Apartment Housing Assignments Office and following the move-out procedures available through your Housing Manager’s Office. Refer to your housing contract and contact the assignments office for information regarding contract breakage fees. These fees may range from no fee to 60 percent of the remaining balance of the contract amount.

**Subleasing:** RPS does not permit any of its apartments to be subleased.

**PERSONAL PROPERTY & LIABILITY PROTECTION INSURANCE**

The university does not assume responsibility for any loss to person(s) or personal property. It is recommended that you maintain adequate public liability insurance coverage and renter’s insurance coverage for your personal property. Damages and losses attributed to a prohibited or restricted item are the responsibility of the individual to whom the item belongs. Also, if you carelessly damage IU property, you may be held financially responsible.

**UNAUTHORIZED RESIDENTS**

The apartment is to be occupied by only those persons whose names appear on the contract(s) and the apartment occupancy list. The contract holder is required to list all occupants with their housing office and on Personal Emergency Contact Information (PECI) at http://go.iu.edu/5eR. If the number of occupants changes for any reason, please notify your apartment center desk and update the information at My Housing, http://go.iu.edu/41f. If an individual lives in your apartment for more than four nights and is not approved by the housing manager, your eligibility to remain in apartment housing will be jeopardized.
The Apartment

APARTMENT ENTRY & PROBABLE CAUSE SEARCHES

The right of individuals to be secure in their persons, living quarters, papers, and effects against unreasonable search and seizure is constitutionally guaranteed and extends to students in the academic community. No provision in the housing contract gives apartment housing officials authority to consent to a search of an apartment by police or other government officials.

However, there are circumstances in which authorized persons using approved procedures may enter an apartment. These special cases include law enforcement, custodial services, safety inspections, repair and maintenance, emergency situations, and probable cause searches.

• Any law enforcement agency having jurisdiction may, in performing its statutory duties, conduct a search in accordance with legally defined procedures governing search and seizure.
• Authorized custodial personnel may enter apartments to perform routine custodial services.
• Authorized university personnel performing safety inspections may enter an apartment to ensure that health, fire, and safety regulations are being followed. Whenever possible, residents will be given at least 24-hour notice of these inspections.
• Authorized university maintenance personnel may enter an apartment to make improvements or repairs, to provide routine maintenance services, and to recover university-owned property. Whenever possible, residents will be given at least 24-hour notice.
• Authorized university personnel responding to an emergency may enter an apartment to protect a resident’s health and welfare or to make emergency repairs to prevent property damage.
• Authorized university officials may enter an apartment when there is probable cause to believe that violations of university or civil regulations are being committed and that a delay to procure a search warrant would endanger the health and safety of the residents or result in the probable destruction of evidence. Probable cause means having reasonable grounds for suspicion, supported by circumstances sufficiently strong to justify a cautious person’s belief that a party is committing an illegal act.

APARTMENT & ROOM ENTRY PROCEDURES

When the apartment to be searched is occupied, probable cause searches will follow these guidelines:

1. No apartment or room shall be entered without knocking, whether the door is locked, unlocked, or ajar.

2. The university official will identify himself or herself and state why entry is desired. If the door is closed, the official will then request that the door be opened.

3. If the door is not opened or the official is refused entry, the official will:
   a. Knock again and restate personal identification and the reason entry is desired;
   b. State the intention to use a passkey to enter if the door is not opened;
   c. Wait at least two minutes to allow the occupant(s) sufficient time to awaken, dress, or decide rationally whether to allow entrance to the apartment and then, if necessary, use a passkey to enter;
   d. State again, upon entering the apart-
Unfurnished Apartment Guide

Number 4 and 5 below apply whether or not the apartment or the room to be searched is occupied at the time of the search.

4. Only items that are specifically prohibited or that pose an immediate danger to the health and safety of the residents will be removed from a room without the express permission of the owner.

5. The university official conducting the search is free to seize illegal materials in "plain view," but the extent of the search must be in keeping with the factual information upon which the probable cause for the search is founded. If an extensive search is required (i.e., opening all drawers, luggage, and locked boxes) and the resident has not given permission, the university should contact the IU Police Department for a search warrant.

6. All evidence seized during searches complying with the above regulations may be used in university disciplinary hearings for violations of the Code of Student Rights, Responsibilities, and Conduct and Indiana University Apartment Housing Rules and Regulations; evidence seized in violation of the search standards may not be used. A resident who believes this policy has been violated should report the incident to the Office of the Dean of Students.

7. When authorized university personnel or their agents must enter an apartment or room when no occupants are present, two staff members should be present, if possible. Residents will be notified of such entries and the reasons for them upon their return. In all instances, such entries shall be made only for the purposes listed above.

8. The apartment door will be locked on departure whether it was originally locked or not.

CABLE TELEVISION
Every apartment contains an outlet connected to the IU cable system. To connect your television, you need a length of coaxial cable, which may be purchased at area stores. Because of the danger of electrical storms, outside antennas, antenna wires, or satellite dishes are not permitted. Problems with the cable TV reception should be reported to Telecommunications Repair Services at (812) 855-2111 or at http://iutv.indiana.edu/iutv/.

COMPUTING
Ethernet connections are available in every RPS apartment. IU Secure Wireless is also available in Campus View and 3rd & Union. For more information on setting up your Ethernet or wireless internet connection, visit http://uits.iu.edu/page/amdz#internet.

Residents of Redbud, Evermann, BBHN and University must provide their own router. Please contact UITS for specifications and instructions.

DRAINS: STOPPED OR CLOGGED
Most of the time a plunger will open a stopped drain. Please do not try to clear a clogged drain...
with drain-cleaning chemicals. Several members of our plumbing staff have been injured by these chemicals. Inform the staff if you have used a chemical drain cleaner and leave a note by the sink or tub informing the plumbers that a chemical has been used in the drain. This will help prevent serious injury to our staff.

**ELECTRICAL SYSTEM**

Electrical outlets must be used appropriately. Electrical appliances and equipment must not overload circuits, be left on and unattended, or be improperly wired so as to create a safety hazard. Holiday lights must not overload circuits and, if appropriate, must be fireproofed in accordance with environmental health and safety standards.

Wall switches control some electrical outlets. If an outlet does not appear to work, make sure the plug is inserted securely in the electrical socket and then turn on the wall switch. If the outlet still does not work, check the circuit breaker panel. If a circuit breaker is “off,” unplug some appliances and switch the breaker to the “on” position. When a circuit breaker cannot be switched to the “on” position, the circuit may be overloaded. If the problem persists, contact your Housing Manager’s Office.

**EQUIPMENT & APPLIANCES**

You are responsible for the proper care of the appliances and equipment in the apartment. All apartments are equipped with window coverings, which are flame retardant and should not be replaced or modified without prior authorization. No appliances or equipment may be removed from the apartment for storage or other purposes unless authorized in writing by the housing manager. Due to the potential for property damage, water beds are not permitted in apartment housing.

**EXTENDED ABSENCES**

If you will be absent from your apartment for an extended period of time, notify your Housing Manager’s Office so your apartment can be checked periodically. This is especially important during the winter when frozen pipes could be a problem, or in the summer when an air conditioner drain could clog.

It is also a good idea to have your apartment checked by a friend or neighbor who can notify both you and your Housing Manager’s Office if a problem arises. Make sure to provide your Housing Manager’s Office with an apartment entry authorization form for a friend or neighbor in case the key is misplaced.

**GARBAGE DISPOSAL**

When using the garbage disposal, leave the water on for 10 to 15 seconds after the grinding has ended to flush the drain. Do not place grease or hard or fibrous waste, such as bones, fruit pits, corn husks, pea pods, celery, banana peels, etc., in the disposal. The disposal should be run at least once a week to prevent a clogged drain.

Please note that University apartments do not have garbage disposals.

**HEALTH & SAFETY INSPECTIONS**

Authorized university personnel may periodically conduct health and safety inspections of apartments. These inspections are done to help keep the buildings free from fire hazards and pest infestations and to survey various maintenance needs in the apartments. Apartment housing staff has an obligation to all residents and IU to conduct these inspections. Management personnel, accompanied by a member of the housing staff, perform the inspections.
You will be notified by e-mail of upcoming inspections. Staff will make every effort to inspect the apartment within two weeks after delivery of the notice. Staff will make an appointment with you upon request. Repeated health and safety violations will result in judicial action and/or non-renewal of your contract.

HEATING & AIR CONDITIONING
During spring and fall, it is often difficult to regulate heating or cooling consistently. Tulip Tree, 3rd & Union, and Campus View are the only apartment complexes with central air conditioning. The heating and cooling system will be switched according to the calendar (approximately in April and October) and the long-range weather forecast.

Please do not operate the air conditioner with the windows open. On hot, humid days, excessive moisture will accumulate at the convactor and may drip onto the floor or into the apartment below. At Redbud, Evermann, BBHN, and University, please do not turn off the valve in any of the heating or cooling convectors. Doing so may cause the unit to freeze and burst in extremely cold weather. You may be liable for property damage if these situations occur.

Window air conditioner units are allowed in apartments that do not have central air conditioning. RPS staff must install the units. There is no charge for installation.

KITCHEN STOVE
Maintain the stove by wiping up spills as they occur and cleaning regularly. Always turn the stove and oven off when not in use and when no one is in the apartment. Never leave cooking food unattended. Never use the stove and oven as additional storage space.

MAINTENANCE & REPAIRS
RPS has a service staff available to respond to apartment housing needs. Please report all problems to your Housing Manager’s Office as soon as they become apparent.

After-hours emergencies (e.g., loss of water, heat, or electricity) or anything that poses a safety or security risk (including electrical hazards, flooding, clogged toilets, or broken glass) should be called in to your housing assistant.

Other concerns or questions about issues such as pest control, condition of equipment and appliances, grounds or snow removal problems, and parking should be directed to your Housing Manager’s Office during regular business hours. These phones are monitored 24 hours a day.

MOVING OUT
When planning to vacate the apartment, you must notify the Apartment Housing Assignments Office and complete the necessary forms. Your contract explains the cancellation policy and contract term. You should also contact the Apartment Housing Assignments Office, Campus View 119, (812) 855-6600, apthouse@indiana.edu, for an explanation of the contract and for information on moving to another apartment or renewing your contract.

When you vacate, staff will conduct a final inspection (checkout) of the apartment. When contacting the staff, let them know if you wish to be present for the inspection. Any charges for cleaning or damages will be assessed at the final inspection. All keys to the apartment must be turned in upon vacating the unit. Failure to do so could result in a charge of $100 or more.
PEST CONTROL
Apartment housing offers professional, licensed pest control service at no additional charge. Specialists respond to any problems with infestation by ants, bees, silverfish, roaches, or rodents. Every apartment is required to receive periodic pest control inspections, and follow-up treatments are scheduled as needed.

You will be notified by e-mail before each inspection. The program’s success depends on your full cooperation, and participation is a condition of your contract. When necessary, we expect you to have your apartment prepared for the pest control treatment on the scheduled day and time.

Pesticides alone cannot solve a pest problem. You must practice high standards of housekeeping for pest control measures to be effective. Please:

• Dispose of garbage promptly, either in the disposal or in sealed bags.
• Wash dishes as soon as possible after use. If you cannot wash them immediately, rinse them with hot water and run the disposal.
• Keep food preparation and storage areas (counter, table, range, and refrigerator) clean. Remember to clean the drip pans under the burners and the walls around the range, especially if you have been frying foods.
• Tightly cover leftover food.
• Rinse cans, bottles, and jars before disposal. See Recycling (this page) for more information.
• Keep your apartment clutter free. Papers, boxes, and clothing should be picked up. If you recycle, please dispose of the items frequently to avoid attracting pests.
• Keep opened food cartons (flour, mixes, cereal, pasta, etc.) sealed tightly in plastic bags or other tight-fitting containers.

If you have a pest problem, please contact your Housing Manager’s Office immediately. We can provide housekeeping suggestions or extra pest control.

RECYCLING
RPS is committed to reducing, reusing, and recycling materials. Instruction on how to recycle can be obtained from the Housing Manager’s Office or the Area Coordinator’s Office. It is the responsibility of each resident to educate him/herself about recycling. If you are unsure how to recycle, place items in the trash rather than risk contaminating the recycling bins. Ask your center desk for the location of the recycling bins.

REFRIGERATOR CARE
Refrigerators should be cleaned regularly. When cleaning a refrigerator, baking soda in the rinse water will help prevent objectionable odors.

Keep food tightly covered or wrapped to help prevent odors and frost build-up. Place items in the shelves so that air can circulate freely within the refrigerator. If the refrigerator is packed too full, it will not cool properly.

SUMMER STORAGE CONTRACTS
If you are leaving for the summer and returning to the same apartment for the next academic year, you may sign a Summer Storage Contract that will allow you to leave your belongings in the apartment over the summer for a nominal fee. Contact the Apartment Housing Assignments Office at Campus View 119 for details. Otherwise, there is no storage space for residents’ belongings in apartment housing. Contact off-campus storage companies if you need extra storage space.
TELEPHONE SERVICE
Local phone service is available, however phones are not provided. The lines are active at BBHN, Campus View, Evermann, Redbud, and University. They will be activated by request at 3rd & Union and Tulip Tree. There is no fee or monthly charge to have one active phone line. A second phone line may be activated at an additional charge. Learn more at http://uits.iu.edu/page/apfb.

TRASH REMOVAL
You are responsible for bagging the trash in your apartment and placing it in the proper bins outside your building. Do not leave bags of trash sitting in hallways, stairwells, laundry rooms, outside your door, or on the ground around the bins. Trash burning is prohibited. Do not put any trash in recycling containers.

If you have a medical condition requiring the use of hypodermic needles, do not dispose of the needles in the trash. Your Housing Manager’s Office can give you a Sharps container for disposal of the needles. Return the full container to the Housing Manager’s Office for disposal.

WINDOW SCREENS
Window screens must be secured at all times. Residents may be charged a replacement fee if a screen is missing. For safety purposes, the windows in Tulip Tree must not have hinges removed. Do not allow children or others to climb on windows or push on windows or window screens. Screens are intended to keep pests out. They are not designed to withstand a child’s or adult’s weight.

The screens in Campus View are fixed and will not slide upward. Do not try to move these screens. They can be easily dropped and could cause damage or injury to those below.

Community Living & Services
Indiana University apartment housing is an exciting place to live, especially when each resident assumes his or her share of community responsibility.

Apartment housing residents come from many parts of the world, speak many languages, and have widely varying customs, beliefs, and personal experiences. In this unique community, residents are rich in knowledge and diversity. Get to know your neighbors. Understanding diverse lifestyles, customs, and personal priorities helps to ensure a respectful environment for everyone.

To best support all residents, some limits must be established for the community. Limits on the physical alterations and use of the facilities help to protect and preserve the property for future generations of residents. Potential legal liabilities and the health and safety of residents require apartment housing to exercise reasonable control over activities that, through negligence, might lead to loss or injury. Fire, safety, and health laws at the local, state, and federal levels restrict an individual’s ability to exercise total freedom. Apartment housing is concerned with the rights of all residents and must afford a level of protection from encroachment by others.

Within all of these limits, apartment housing works to afford as much flexibility for individual styles of living as possible, balanced with the overall and greater needs of the community.
ACTIVITIES ROOM
An activities room at Campus View is available to all apartment housing residents for private functions, receptions, etc. It may be scheduled through the Area Coordinator’s Office, Campus View 105, (812) 855-2679; Tulip Tree 108, (812) 855-2108; University, (812) 855-7866.

APARTMENT & FAMILY STUDENT COUNCIL (AFSC)
The Apartment and Family Student Council is a resident/student organization within apartment housing that provides recreational and social services for you. The residents of apartment housing elect officers and representatives from each apartment building to serve in the organization. A $6 monthly fee added to the rent of each contract holder funds the council. Contact AFSC in Campus View 107, (812) 855-7227 or afsc@indiana.edu.

AREA COORDINATOR’S OFFICE
The Area Coordinator’s Office, located in Campus View 105, provides many services to apartment housing students and families. This office is a source of comprehensive information about campus and community programs and services. In addition to orientation, information, and referral, the office sponsors educational and cultural programs as well as health and safety related events. The Area Coordinator is available for counseling and crisis intervention and will try to assist with any problems that may arise as you adjust to your new home. You may contact this office at (812) 855-2679 or aptlife@indiana.edu.

BEDS: SHORT-TERM RENTAL
We have a limited number of beds that you may rent for a short time in Campus View and Tulip Tree apartments. These beds are available on a first-come, first-served basis. If you are interested in renting a bed for a guest, contact your Housing Manager’s Office for availability and rates. Bed rentals are not available for 3rd & Union, Redbud, BBHN, or University apartments.

BUS SERVICE
The Indiana University Campus Bus Service serves apartment housing. Service is available to the central campus, the College Mall, and downtown shopping areas. For further information about bus service schedules and routes, visit www.iubus.indiana.edu or (812) 855-8384.

CHILD CARE
For child care information, call Campus Child Care Support, (812) 855-5053. For information on other child care options, contact the Area Coordinator’s Office, Campus View 105, (812) 855-2679.

CommUNITY EDUCATION PROGRAM (CUE)
To learn more about yourself and others, you are invited to participate in one of the many programs held throughout the year by the CommUNITY Education Program. Student staff members, who are called CommUNITY Educators (CUEs), work with others in planning and facilitating a broad range of programs related to many issues of diversity. Held mostly for apartment residents and students in the residence halls, these programs typically address issues of race, gender, religion, sexual orientation, and ability, and may include other issues as well. Diversity Education Specialists (DES) are graduate students who support the program’s goals in
many ways, including supervising the CUEs. To learn more about the CUE program, visit www.cue.indiana.edu.

COMMUNITY MEETING
Each residential area has a community meeting composed of residents and apartment housing staff. This group addresses community issues much like a neighborhood association. Meeting times and locations will be advertised in your center.

COMMUNITY STANDARDS: POLICIES AND ENFORCEMENT
Indiana University Apartment Housing Rules and Regulations apply to all residents, dependents, or other occupants of apartment housing units, as well as visitors and guests. All residents are expected to be familiar with, and abide by, the terms and conditions of the Indiana University Apartment Housing Rules and Regulations on page 23, and the university’s Code of Student Rights, Responsibilities, and Conduct (known as the Code). Violations of the above may result in university disciplinary action.

Questions about Indiana University Apartment Housing Rules and Regulations should be directed to the Area Coordinator’s Office, Campus View 105, (812) 855-2679, or to your Housing Manager’s Office.

Allegations of violations of the housing contract, Indiana University Apartment Housing Rules and Regulations, and/or the Code may be reported to the Area Coordinator’s Office or the Housing Manager’s Office, who will investigate.

COMPUTER LABS
See Residential Technology Centers on page 17.

CONDUCT & DISTURBANCES
In general, if noise is so loud that it disturbs another, it is too loud. If you are disturbed by noise coming from another apartment, speak to the resident of that apartment. Usually, such problems can be corrected quickly and easily in this manner. Do not wait to speak to your neighbor until the noise becomes unbearable. Better results are obtained if you approach your neighbor in a friendly manner. If the problem continues or recurs, contact the Area Coordinator’s Office or your Housing Manager’s Office during regular business hours, or the housing assistant after regular business hours. In some cases, it may be necessary to telephone IUPD for assistance.

If you contact the Area Coordinator’s Office, your Housing Manager’s Office, or the housing assistant, provide an e-mail message or written memo that states the date(s), time(s), and nature of the disturbance(s). Include information about what has been done in an attempt to resolve the problem. The message should be detailed; it is very difficult for us to act without accurate and complete documentation.

COORDINATOR ASSISTANTS (CAs)
CAs are available to help all residents of apartment housing. As outreach staff of the Area Coordinator’s Office, CAs direct their efforts toward promoting a sense of community among the residents; providing orientation and information about the campus and community; encouraging participation in apartment housing programs and events; alerting the Area Coordinator to problems and issues that may need attention; and more.

FAX MACHINES
Each housing office has a fax machine available to residents and legal occupants for sending and receiving personal faxes. There is no charge for faxes of up to five pages, not including a cover
sheet. Faxes over this amount will be charged at the rate of $1.00 per page. There is never a charge for a cover sheet. If you have someone send a fax to you at one of the following numbers, be sure they identify you by name, in English, so we can notify you when a fax arrives. The numbers for the Housing Managers’ Offices are:

**Campus View/BBHN**
(812) 855-7462

**Evermann/Redbud**
(812) 855-7419

**Tulip Tree/University/3rd & Union**
(812) 855-7252

**GARDEN**

RPS has created an organic community garden, with plots available to rent for $25 (non-refundable). A watering hose and tools are available for shared use and garden maintenance. Contact the Area Coordinator’s Office at (812) 855-2679 if interested.

**GUEST HOUSING**

RPS has a limited number of guest apartments available for rent. Contact RPS Guest Services at rpsguest@indiana.edu or (812) 855-6600.

**HOUSING ASSISTANTS**

Housing assistants are students who live in apartment housing and are on duty to address emergencies, community concerns, and other matters whenever Housing Managers’ Offices are closed. They are your first point of contact between 5 p.m. and 8 a.m., and on weekends and holidays. To reach the housing assistant on duty, call the numbers listed inside the back cover. After 9 p.m., call only for emergency situations.

**HOUSING MANAGERS**

Housing managers are responsible for the daily operations of the apartment buildings, the condition of the facilities, and the center desk.

**HOUSING MANAGERS’ OFFICES**

Housing Offices are open Monday through Friday, 8 a.m. - 5 p.m.

**Campus View ~ BBHN**
Campus View 101, (812) 855-3578

**Evermann ~ Redbud**
Evermann 124, (812) 855-4307

**Tulip Tree ~ University ~ 3rd & Union Apartments**
Tulip Tree 108, (812) 855-2108

Services available include, but are not limited to, the following:
- apartment check-in
- bus schedules
- campus mail
- campus maps
- change for laundry
- change of address forms
- extra keys
- fax
- maintenance requests
- parcel pickup (ID required)
- postage stamps
- telephone instructions and service forms
- visitor and resident parking permits

**LAUNDRY FACILITIES**

Laundry rooms are available in each apartment complex. You may use coins or your CampusAccess card to activate the machines. Money may be added to these cards at Value Transfer Stations (VTS). A VTS is currently available in the main lobbies of Campus View, Tulip Tree, and Evermann.
Please follow these laundry facility guidelines:

1. Remove your laundry promptly at the end of the cycle.

2. Leave the laundry room in the same condition that you found it—or better.

3. The laundry facilities are for residents only. Please report any unauthorized use to your Housing Manager’s Office immediately.

4. Do not leave clothing or belongings unattended in laundry rooms. IU is not responsible for any damage, theft, or loss of clothing.

5. Report any mechanical problems with the washers and dryers to your Housing Manager’s Office or to the housing assistant as soon as possible. If clothes are damaged during washing or drying, report the situation to your Housing Manager’s Office, where staff will contact the vendor. The vendor will then contact you about restitution. If a card reader is not working properly, contact Campus Card Services at (812) 855-8711.

LIBRARY
The library located in Campus View apartments serves the apartment housing neighborhood by offering a variety of materials for children, in addition to a standard library collection of books and videos for all ages. This library maintains the RPS library system’s only collection of children’s books, as well as its largest collection of computer games. It is also the only RPS library open during summer session.

The Apartment Housing Library is open seven days a week, excluding university recesses and holidays. All materials may be borrowed free of charge by any RPS resident. Dependents of RPS residents must submit an application for a borrower’s card. Fines are assessed for overdue and damaged items. Children in the library must be supervised so that others can relax or study. For more information, contact the RPS Libraries office at (812) 856-4085, or rpslib@indiana.edu.

LOST & FOUND
All lost items should be reported, and found items should be returned to your Housing Manager’s Office. When possible, the office will notify the rightful owner. Found items will be kept for 30 days. After 30 days, items will be considered abandoned.

On-campus lost and found offices are located in Ballantine Hall (812) 855-7372; the Indiana Memorial Union (812) 856-6381; and the Jacobs School of Music (812) 855-1613.

MAIL & PARCELS
Staff members in the apartment buildings deliver campus mail to your apartment. Outgoing U.S. mail receptacles are in various locations at the different apartment housing buildings. Outgoing campus mail may be placed in your Housing Manager’s Office.

The U.S. Postal Service delivers U.S. mail to the first-floor lobbies of Campus View, Tulip Tree, and Evermann. Redbud mail is delivered to mailboxes located outside the laundry rooms. At Banta, Bicknell, Hepburn, and Nutt, the mail is delivered to centrally located U.S. mailboxes. Mail for
residents of University and 3rd & Union apartments is delivered to the boxes in the main entry.

To get your U.S. mail without delay, it must have a street address and apartment number. Locate your apartment building below to find your mailing address.

Only parcels addressed to the contracted resident will be accepted.

A CORRECTLY WRITTEN ADDRESS INCLUDES:
Student’s name
Street Address, Apartment Number
Bloomington, IN 4740X-XXXX

EXAMPLE:
Jona Jones
800 N. Union Street, Apt. #1
Bloomington, IN 47408

MEAL SERVICES
Residents of apartment housing are welcome to eat in any RPS Dining Services facility including food courts, Hoosier Cafe & Stores, cafeteria, and Campus Cafes. You may also use the services of Traditions Catering, eMEAL, and I-BUCKS. For more information on our dining options, visit www.rps.indiana.edu. You may purchase a meal plan that fits your needs through the dining office located on the first floor of 801 N. Jordan Avenue. Use CampusAccess, credit cards or pay cash as you go at any RPS Dining Services location.

ORIENTATION OF NEW RESIDENTS
All new residents are expected to attend a brief orientation within one month of moving into an apartment. These sessions will be conducted by the Coordinator Assistant of each building.
Contact the Area Coordinator’s Office, Campus View, room 105; 812-855-2679; or aptlife@indiana.edu for more information.

PARKING
Please remember that everyone operating a vehicle on the Bloomington campus must register it with the university and display a valid university permit on the vehicle. RPS Parking at 801 N. Jordan manages the parking lots near the apartments and residence halls. These lots are marked “D” and divided into seven parking zones. RPS Parking’s policy is never to sell more permits than there are “D” parking spaces.

1. Permits may be purchased at your Housing Manager’s Office or at RPS Parking. Payment at your Housing Manager’s Office may only be made by charging the cost to your bursar account. RPS Parking accepts cash, checks, most credit cards, and bursar charge. Please remember you must present your current and valid vehicle registration for each vehicle you register.

2. Apartment housing parking is divided into two zones as follows:
   - Zone Two (D2) $158.40
     3rd & Union and University apartments
   - Zone Three (D3) $138.60
     BBHN, Campus View, Evermann, Redbud, and Tulip Tree

   Please note that residents with valid university A or C parking permits may park in zone D3 without purchasing a D3 permit. D3 permits for additional vehicles are available at a reduced cost.

3. Parking permits are not transferable.

4. Guests may purchase temporary permits for 1-7 days at your Housing Manager’s Office. These permits are for the use of residents and their guests only. Metered parking is available for short-term visitors.

5. Boats and trailers must be kept in designated areas. Please check with your Housing Manager’s Office for more information.

For more information about parking at your apartment, please contact RPS Parking at (812) 855-9840 or rpspark@indiana.edu. Questions about parking in other parts of campus should be directed to Parking Operations at (812) 855-9848 or parking@indiana.edu.

PICNIC TABLES & GRILLS
Picnic tables and grills are located in various places around the buildings for use by everyone in apartment housing. Report any tables or grills that need repair to your Housing Manager’s Office. When using a grill, do not empty charcoal ashes into trash bins until they are completely cool.

PLAYGROUND EQUIPMENT & RECREATIONAL AREAS
Playground equipment and recreational areas are conveniently located near all apartment
housing buildings. Indiana University does not provide monitors for the playgrounds. Parents must provide supervision. The equipment should not be used after dark to avoid disturbing nearby residents.

RESIDENTIAL TECHNOLOGY CENTERS (RTCs)

Residential Technology Centers (computers and printers) are managed by UITS Residential IT Services (RITS) and are available in Campus View, Tulip Tree, Evermann, University, 3rd & Union apartments, and every residence hall. The RTCs contain hardware and software identical to that in Student Technology Centers located throughout the campus. RTCs are staffed most afternoons and evenings. Further information is available at http://uits.iu.edu/.

There are a few simple rules for using RTCs:

- A network ID and password are required to access the RTC computers. It is a violation of university policy to share your account or password with others.
- The RTC atmosphere should be quiet and conducive to academic studies.
- IU students have priority at all times.
- Children are not permitted unless accompanied and supervised by a responsible adult.
- Game playing is prohibited at all times.

SAFETY & SECURITY

Creating and maintaining a safe and secure living environment is everyone’s responsibility. Please:

- Lock apartment doors and windows when leaving the apartment even for a short time. Doors found unlocked by RPS staff will be locked.
- Always keep your apartment keys with you. Do not loan them to others.
- When cooking, never leave the stove unattended.
- Unplug electrical appliances when not in use.
- Do not run extension cords under carpets, hang them from nails, or staple them to walls, and never run them outside.
- Do not allow children to climb on windows or push on windows or window screens. Screens are intended to keep pests out; they are not designed to withstand a child’s weight.
- Promptly report nonworking parking lot lights and streetlights to your Housing Manager’s Office.
- Keep your vehicle locked at all times, and store any valuables out of sight.
- Read all safety and security notices distributed by the apartment housing administration. Be sure to share these notices with roommates and family members.
- Do not open door after hours to people you do not know.
- Report any suspicious activity to your Housing Manager’s Office or IUPD.

ASBESTOS

Because some IU apartment housing units were built before 1980, some of their construction materials contain asbestos. These materials present no danger unless they are damaged. Materials that might contain asbestos include floor tiles, linoleum, pipe insulation (pipe elbows in machine rooms and other locations), and the ceiling treatment in the hallways and apartments of certain buildings. An asbestos information sheet is available at your Housing Manager’s Office.

Be very careful not to do anything that might damage materials containing asbestos. Puncturing these materials could cause a release of harmful fibers. Don’t insert nails, hangers, hooks, or anything that would damage the material even slightly. In addition, if any damage has been
done to building materials that might contain asbestos, the damage should be reported immediately to your Housing Manager’s Office.

Whenever RPS removes asbestos, signs will be posted. All precautions will be taken to ensure that removal procedures will not cause any health threat.

BICYCLES
Bicycles and mopeds must be kept in the parking areas provided. You are encouraged to register your bicycles to deter theft. Contact the Housing Manager’s Office for registration information. Any bicycle that does not display a valid permit or is left in a location not designated for bicycle parking may be confiscated.

BUILDING LOCKUP
To protect you and to guard against theft, all exterior doors at all apartment buildings will be locked nightly from approximately 9 p.m. to 8 a.m. After closing hours, you may use your apartment key to enter your building. For safety reasons, never prop open outside doors. Never allow strangers into buildings.

Signs at each locked door direct people to the locations of the emergency telephones available for use by you, your guests, or delivery people.

Inform your guests or delivery people of your telephone number and the location of your building’s phone, so they can call to be let in when they arrive.

U.S. mail, UPS, and newspaper delivery people have access to the building. Other delivery people (pizza, flowers, etc.) must have someone meet them at the door.

EARTHQUAKE SAFETY
While earthquakes are infrequent, they are possible in Bloomington.

During an earthquake
If you are inside a building:
• Crouch under a heavy table or desk and protect your head, or stand in a doorway or corner.
• Stay away from windows, bookcases, or other items that could fall on you.

If you are in a hallway:
• Sit with your back against the wall and stay away from windows and outside walls.

If you are in a car:
• Drive to an open area away from buildings, overpasses, poles, electrical wires, and trees.
• Stay in the car until the shaking stops.

If you are outdoors:
• Move to an open area away from buildings, poles, electrical wires, and trees.

AFTER AN EARTHQUAKE
• Check for injuries and apply first aid.
• Do not move seriously injured individuals unless they are in immediate danger.
• Do not use the telephone unless there is a serious emergency (to prevent system overload).
• Check for obvious structural damage.
If there is obvious structural damage to your apartment:

• Move to outside assembly areas.
• Notify authorities of anyone trapped in the building.
• Wait for instructions from emergency personnel.
• Monitor local radio stations for information.

Be prepared for aftershocks. They are usually smaller than the main quake but may do additional damage to weakened structures.

**EMERGENCIES (REPORTING)**

To report a fire, medical emergency, or crime in progress, call 911 from any phone. Immediately report safety concerns, suspicious persons, or suspected criminal activity to IUPD at (812) 855-4111.

**EMERGENCY PREPAREDNESS**

An emergency could happen at any time. During an emergency, you will not have time to learn what to do. Also, there may not be anyone nearby to tell you what to do. Being prepared for an emergency is your responsibility. To help you know what to do, information on fire safety, tornadoes and severe weather, earthquakes, bomb threats, chemical spills, and civil disturbances is included in this booklet. This information is also available in the emergency preparedness brochure available at the Area Coordinator’s Office or your Housing Manager’s Office. Also check the Bloomington Campus Emergency Preparedness website at [www.iub.edu/~prepare](http://www.iub.edu/~prepare).

You may register on OneStart to receive text alerts from the university. Visit [https://onestart.iu.edu/my2-prd/portal](https://onestart.iu.edu/my2-prd/portal).

An emergency safety video is also available to check out from your Housing Manager’s Office.

Questions should be directed to the Area Coordinator’s Office or the Housing Managers’ Offices.

If you have a permanent or temporary disability, please notify your Housing Manager’s Office.

**Prepare for emergency situations**

The most important thing to remember during an emergency is to stay calm.

**Know your building layout and locations of:**

• Exits
• Fire alarm pull boxes
• Fire extinguishers
• Outside assembly areas (found on door placards)

**Know emergency procedures:**

• Read the placard on your door.
• Read information on emergency procedures.
• Learn the most important emergency phone numbers.
• Involve your roommate or family in preparing your emergency plans.
• Post emergency numbers by or in your telephone/cell phone.
• Prepare an emergency kit with a battery-powered flashlight, battery-powered radio, extra batteries, and a first-aid kit (including prescription medication).

**FIRE SAFETY**

Apartments are furnished with a fire extinguisher and at least one smoke detector. The smoke detectors are battery powered, and the apartment housing staff is required by law to replace the battery once yearly. Campus View, Tulip Tree, and 3rd & Union apartments also have sprinklers and hard wired smoke detectors. If your alarm emits a short, periodic beep, the alarm needs to have the battery replaced. Report this to your Housing Manager’s Office immediately.
Tampering with any firefighting equipment, including, but not limited to, fire alarms, fire extinguishers, fire hoses, exit lights, and smoke detectors will result in disciplinary action.

Staff will check the fire extinguisher gauge periodically and during health and safety inspections. If you see that the gauge on the fire extinguisher is not in the green or normal range, or if you have discharged it, please notify your Housing Manager’s Office immediately.

When the alarm system is activated, a loud alarm signal can be heard on all floors. This alarm is monitored by the IUPD. You should always vacate the building when the alarm sounds or if you are directed to do so by building staff or emergency personnel.

You can eliminate fire hazards in the following ways:

- When cooking, stay near the stove and clean up grease and appliances as soon as possible.
- Avoid using extension cords and power strips that can overload electrical circuits.
- Never run cords under rugs or constrict plugs behind furniture.
- Replace loose electrical connections and frayed cords with new equipment.
- Use electrical appliances carefully and remember to turn them off after use.
- Do not store flammable materials in your apartment.
- Keep corridors, hallways, and stairways clear of personal items and storage items.
- Smoking is prohibited inside all apartments and on Indiana University owned or leased property except in officially designated outdoor areas.
- Keep fire doors and doors to the building closed. Never prop open these doors.

During a fire, stay calm. Feel the door to your apartment.

If the door is warm:
- Do not open the door.
- Put a wet towel at the base of the door.
- Call the fire department and report your location.
- Signal for help.
- Remain in your apartment. Emergency personnel are on their way.

If the door is not warm:
- Open the door slightly, bracing it with your body.
- Check the hallway for heat or heavy smoke.
- If the hallway is clear, leave immediately; do not go back for anything.
- Close the door as you leave.
- Go to the nearest exit or stairway.
- Never use an elevator.

If you get caught in smoke:
- Get down and crawl.
- Cover your nose and mouth.

If you are on fire:
- Stop, drop, and roll.

If the fire alarm hasn’t been sounded:
- Pull the fire alarm pull box as you leave.
- Move to the outside assembly areas.

After exiting the building:
- If you are injured, report to emergency personnel.
- Notify authorities of anyone trapped in the building.
• Follow the orders of fire, police, or university personnel at all times.

KEYS/ENTRY CARDS & LOCKS
All apartment housing keys/entry cards are the property of IU and may not be duplicated. If you wish for anyone (including your own children, a delivery person, a relative, or a guest) to pick up a key from your Housing Manager’s Office, you must sign an entry authorization card or send an e-mail to the Housing Manager’s Office giving authorization. Otherwise, a key will not be issued. We make no exceptions to this rule. A telephone call will not suffice. Children 12 years of age or younger will not be issued keys.

Residents sharing bedrooms in a single apartment will be allowed only one permanent key per contract holder. An extra temporary key may be checked out from the center desk for a 24-hour period, subject to penalty if not returned within that time.

Locks on apartment doors or mailboxes will be changed if a key is reported lost or stolen. You will be charged a fee for an apartment lock change. If you have misplaced a key and you think you will find it, we will issue a replacement key or make a temporary lock change and allow seven days for you to find the misplaced key and return the replacement key to your Housing Manager’s Office. A lock change will be ordered at the end of the seven days if the key is not returned.

When moving out of the apartment, you must return all keys. Failure to do so may result in a charge of $100 or more. You may not install your own locks or latches on any door in the apartment.

PLAYGROUND SAFETY
• Supervise your young children and toddlers at all times when they are playing outside the buildings.
• Ensure that children use playground equipment for its intended purposes.
• Report hazardous or broken playground equipment to your Housing Manager’s Office immediately.
• Ride bicycles and battery-operated cars slowly and with extreme care in playground areas. Children who are unable to maintain complete control at all times should not be allowed to ride unsupervised. Helmets should be worn at all times.
• Do not operate or park motorized vehicles, including motorcycles and mopeds, off roadways or parking lots.

PROHIBITED & RESTRICTED ITEMS
Refer to Indiana University Apartment Housing Rules and Regulations, numbers 14 and 15, on page 24 of this booklet.

SAFETY PRACTICES FOR BOMB THREATS, HAZARDOUS MATERIALS SPILLS, OR CIVIL DISTURBANCES
If you witness an emergency such as a bomb threat, hazardous materials spill, or civil disturbance, report the emergency by calling IUPD at 911 from any phone.

In the case of a bomb threat, hazardous materials spill, or civil disturbance:
• Follow the orders of fire, police, or university personnel at all times.
• If you are asked to evacuate the building, do so in an orderly manner.
When reporting an emergency, include all of the details listed below (if possible):

**Bomb Threat**
- Location of the bomb
- When it will detonate
- Why the caller set the bomb
- Description of the caller

**Hazardous Materials Spill**
- Location of the spill
- Type of materials involved

**Civil Disturbance**
- Location of the incident
- Type of incident
- Description of the persons involved

**SMOKING POLICY & NONSMOKING AREAS**
Smoking is prohibited inside all apartments and on Indiana University owned or leased property except in officially designated outdoor areas.

**TORNADOES & SEvere WEATHER SAFETY**
Tornadoes can occur any time during the year but are more common during the spring. Civil defense sirens located throughout the community, local radio and television stations, or the National Weather Service radio (162.45 MHz) will announce the approach of severe weather.

A **tornado watch** indicates that the conditions necessary for a tornado to occur are favorable. During a watch, pay particular attention to radio and television for additional information.

A **tornado warning** indicates that a tornado has been sighted in the area. Once a tornado warning has been issued, be prepared to move to a safe location.

If the civil defense sirens sound, or if radio or television broadcasts indicate that a tornado has been sighted in Monroe County, follow the directions listed here. Never use the fire alarm to warn of a tornado. We do not want people evacuating the building if there is a tornado.

**During a tornado**

**If you are inside:**
- Immediately move to an interior room or hallway without windows.
- Shut the door behind you.
- Stay away from exterior walls, doors, and windows.
- Crouch down and cover your head with your arms.
- Stay off elevators.

**If you are outside:**
- Seek shelter in a concrete or masonry building, or in a ditch or ravine.

**After a tornado**
- Check for injuries and apply first aid.
- Do not move seriously injured persons unless they are in immediate danger.
- Do not use the telephone unless there is a serious emergency.
- If possible, monitor local radio stations for information.

**If there is obvious structural damage to your apartment:**
- Move to outside assembly areas once the weather has calmed.
- Notify authorities of anyone trapped in the building.
- Wait for instructions from emergency personnel.
Indiana University Apartment Housing Rules and Regulations

Indiana University Apartment Housing Rules and Regulations apply to all residents, dependents, or other occupants of apartment housing units, as well as visitors and guests. All residents are expected to be familiar with and abide by the terms and conditions of the apartment housing contract and the Code of Student Rights, Responsibilities, and Conduct.

1. Responsibility:
   a. You are responsible for the conduct of your guests and dependents. You will be responsible for any policy violations, damages, or property losses attributable to your guests.
   b. Any resident who is present in an apartment and knows that a violation is occurring will be deemed complicit in the activity unless the resident has immediately reported the situation to a university official and/or has left the room upon discovering the violation.

2. You must complete the apartment occupancy list in the Personal Emergency Contact Information (PECI) application at http://go.iu.edu/5eR, before checking into the apartment. You must submit a list of all apartment occupants to your apartment to your Apartment Housing Assignments Office upon checking into the apartment. You are required to keep the occupant list up to date at the PECI site referenced above. Roommate(s) must give approval to host overnight guests.

3. When planning to vacate the apartment, you must notify the Apartment Housing Assignments Office and complete the necessary forms.

4. Actions that infringe generally upon the rights and freedoms of other residents are prohibited, regardless of the intention behind the actions. Such actions include, but are not limited to, harassment, intimidation, discrimination, coercion, threats, and pranks.

5. You must observe the academic nature and close parameters of the community. Residents must be considerate at all times regarding noise levels when requested by neighbors.

6. Residents must maintain clean and sanitary conditions in their apartments.

7. Children must not play in the lobbies, stairwells, laundry areas, or hallways. Parents must provide supervision of children on playgrounds and recreational areas that are located near all apartment housing buildings. The equipment should not be used after dark so as not to disturb nearby residents.

8. All apartment housing keys/entry cards are the property of Indiana University and may not be duplicated.

9. Using or attempting to use university property in a manner inconsistent with its designated purpose is prohibited.

10. You may not use any part of the residence facility or grounds for commercial or non-residential purposes. Door-to-door selling in the buildings is not permitted.
11. Keep corridors, hallways, and stairwells clear of personal items and household trash disposal.

12. Exterior spaces such as patios and walkways cannot be used for storage. Also, furniture designed for indoor use cannot be used outside on balconies, patios, walkways, etc.

13. Smoking is prohibited inside all apartments and on Indiana University owned or leased property except in officially designated outdoor areas.

14. You may not alter, modify, or damage your apartment or change locks and latches on apartment doors. Painting is permitted with the approval of the housing manager. Contact paper should not be used on shelves, walls, or floors in the apartments. Lightweight hanging items, such as pictures and wall hangings, may be hung using the wooden picture hanging rails provided. Attached shelving is not allowed unless the university provides it as part of the furnishings. No appliances or equipment may be removed from the apartment unless authorized by the housing manager. Possession of public-area furniture in individual apartments is prohibited. A user/relocation fee of $5 per day or $25, whichever is greater, may be assessed for the unauthorized moving of furniture. Carpets may not be fastened down with tacks, tack strips, or adhesives. Double-sided carpet tape may be used as long as you can clean up the residue when you move. You will be responsible for the cost of floor repairs. Modifications to electrical wiring, including smoke detection devices, within an apartment or living unit are prohibited.

15. RPS must place the safety of all residents and guests first. Therefore, some items are not permitted in any apartment. These include:

- Firearms or other weapons, including but not limited to air guns and BB guns
- Fireworks or explosive materials, whether factory-made or homemade
- Flammable liquids and other similar materials except for sealed containers not exceeding eight-ounce capacity
- Water beds
- Halogen lamps, sometimes called torchieres
- Clothes washers and dryers
- Antennas, satellite dishes, or other wires extending outside of windows
- Motorcycles, mopeds, and other similar vehicles
- Illegal drugs
- Burning candles
- Burning incense
- Tanning beds
- Open flame stoves
- Dish washers

In addition, you may not cover your apartment door with wrapping paper or any other flammable materials. The only permitted electrical appliances in apartment housing must be: Underwriters Laboratory (UL) listed, equipped with thermostatic controls, and rated at 700 watts (6 amps) or less.

Such electrical items include extension cords and outlet strips. Type “S” or “SJ” or with 14-gauge wire are permitted. Extension cords, surge strips, and protectors using the new LCDI technology, such as FireShield®, are strongly recommended. You may not use charcoal-burning grills inside apartments or on balconies. Never empty hot charcoal ashes into trash bins.
16. No pets or animals other than fish or crustaceans in an aquarium may be kept in your apartment at any time, including pets belonging to visitors. Guests may not bring pets into the building. Aquariums may not exceed 10-gallon capacity. Dogs trained and certified to assist the visually or hearing impaired (or upon consultation with the housing manager for other medical conditions) may be exempted from this regulation. All service animals must be approved through the Office of Disability Services for Students at http://www2.dsa.indiana.edu/dss/.

Any resident found in violation of the pet policy will be subject to contract cancellation. Also, there will be a charge levied against the resident to cover the cost of inspection and treatment, if needed, of the apartment for fleas or other insects brought in by an animal.

17. In-line skates, scooters, bicycles, and skateboards must not be used inside the buildings or in or near busy areas such as entrances and exits.

18. Do not drive or park vehicles on lawns, walks, or any areas other than streets, roadways, and parking lots. Also, do not place any vehicle in an area designated as “No Parking.” Be sure to observe all campus parking regulations.

19. You are responsible for abiding by all the terms and conditions of your apartment housing contract.

20. You are responsible for abiding by all documents sent to you by the university and apartment housing.

21. Writing offensive and/or inappropriate language or symbols on dry erase boards, walks, or other areas frequented by the public is prohibited.

22. Alcohol
   a. Persons under the age of 21 are not permitted to possess or consume alcoholic beverages.
   b. Alcohol may not be used in public areas of apartment housing, including but not limited to elevators, balconies, stairwells, laundry rooms, breezeways, parking lots, recreational, picnic or grassy areas, or anywhere else in the community.
   c. To protect the health and safety of the residents and their guests, alcoholic beverages may not be served at private or sponsored events held in meeting rooms or other public areas.
   d. Beer contained in any form of keg is prohibited in apartment housing.

23. Bonfires or campfires are prohibited on apartment housing property unless specifically authorized. To obtain information and permits visit http://rmweb.indiana.edu/orm/FirePermit.cfm.
