Residents of Ashton, Briscoe, Collins, Eigenmann, Forest, Foster, McNutt, Read, Rose, Teter, and Wright:

In accordance with the terms of the housing contract for these buildings, RPS will provide temporary housing for residence hall students who need to stay on campus over Spring Break. It is anticipated that many of the accommodations during this period will consist of a space in a floor lounge along with other students. Space is limited, so residents should make requests as early as possible.

Residents of Willkie, Union Street Apartments, and Hillcrest Apartments:

Under the terms of the housing contract for these buildings, residents are permitted to stay in their room or apartment during the break period. For the safety and security of all residents, RPS asks that students who plan to stay for part or all of the break contact their respective center desk to notify management of their plans.

Residents of 3rd & Union, BBHN, Campus View, Evermann, Redbud, Tulip Tree, and University Apartments:

Under the terms of the housing contract for these buildings, residents may remain in their apartments during the break and are not asked to report their plans to their respective center desk.

NEW AREA CODE COMING TO BLOOMINGTON

On September 6, the new (930) area code will overlay the (812) area code. This means that it will be necessary to dial a complete phone number, (812)-XXX-XXXX.

The Indiana Utility Regulatory Commission is asking everyone to start dialing the complete numbers now and to reprogram (812) phone numbers that have been saved. Local calling areas will not change. Read more at AreaCodeHelp.com.
