COUNSELING and PSYCHOLOGICAL SERVICES (CAPS)

SUPPORT GROUPS (855-5711)
At Counseling and Psychological Services (CAPS) and Sexual Assault Crisis Services (SACS) we offer many groups to help students adjust to college; manage stress, anxiety and depression; improve self-esteem; enhance relationships; and make changes in their substance use patterns. Groups typically require a semester commitment at a cost of $10 per group session. Contact CAPS to see if group treatment can benefit you.

We also offer a variety of FREE workshops. We have developed our workshop series to address many of the issues that bring students to counseling. You do not need to be a current client to attend the workshops. Check our website to learn about the Emotional Health Workshops and view the most up-to-date schedule. In addition to the Emotional Health Workshops, we offer Mindfulness Practice four times a week and will continue Voices of Discovery. Voices of Discovery is a free 6-session workshop that provides a safe place for participants to discuss dimensions of their identities (race, ethnicity, SES, gender, sexuality, ability, etc.).

Visit the CAPS website at http://www.indiana.edu/~health/counseling/index.shtml for more information about all our services.

Counseling and Psychological Services (CAPS) is located in the IU Health Center, 600 N. Jordan Ave.
