NOTICE to ALL APARTMENT HOUSING RESIDENTS

Here are some suggestions if you will be gone over the upcoming holiday period or any other time during the cold weather months.

Since there is a possibility of freezing weather during the holiday season, it is a good idea to have someone check your apartment from time to time to be certain that the heat, plumbing, and refrigerator/freezer are functioning properly. Also, please let your Center Desk office know where you can be reached in case of emergency.

The following is a list of things that should be done before you leave for Break:

- Leave bathroom & bedroom doors open to allow heat to circulate.
- Unplug all electrical appliances, including TV and tree lights.
- **DO NOT UNPLUG YOUR REFRIGERATOR**!
- Make certain all your windows are closed and locked.

- Take any garbage to the dumpster.
- Turn off all lights. Lock your entrance door. You should sign an apartment entry authorization (available at the Center Desk) for anyone checking your apartment, in case the key you give them is misplaced.
- For security reasons, the Center Desk will not issue a key unless such a card is on file.
- Make sure that your heat is on and, if applicable, that all radiator or convector valves are open. A closed valve can cause a radiator or convector to freeze and burst, flooding the apartment. You could be held liable for damages in such an event. Set your heat at 65°F if you have a thermostat.
- If you have any questions about any of these guidelines, please phone your Center Desk. Thank you! - Your Apt. Housing Management Staff.

COUNSELING and PSYCHOLOGICAL SERVICES (CAPS)
SUPPORT GROUPS (855-5711)
At Counseling and Psychological Services (CAPS) and Sexual Assault Crisis Services (SACS) we offer many groups to help students adjust to college; manage stress, anxiety and depression; improve self-esteem; enhance relationships; and make changes in their substance use patterns. Groups typically require a semester commitment at a cost of $10 per group session. Contact CAPS to see if group treatment could benefit you.

We also offer a variety of FREE workshops. We have developed our workshop series to address many of the issues that bring students to counseling. You do not need to be a current client to attend the workshops. Check our website to learn about the Emotional Health Workshops and view the most up-to-date schedule. In addition to the Emotional Health Workshops, we offer Mindfulness Practice four times a week and will continue Voices of Discovery.

Voices of Discovery is a free 6-session workshop that provides a safe space for participants to discuss dimensions of their identities (race, ethnicity, SES, gender, sexuality, ability, etc.). Visit the CAPS website at http://www.indiana.edu/~health/counseling/index.shtml for more information about all our services.
